## Promenade Pony Parties

Make Birthdays special with Horses

Make your child's birthday memorable, fun, and educational. Children will learn basic riding skills based on their age. Parents can relax and enjoy the "country" atmosphere or join in on the fun. Basic price includes the horses for one hour but you can buy extra time. Your group is invited to spend time at the facility, having lunch, cake, and opening presents. We do request children are supervised by someone in your party after riding is finished.

Base Price: \$175  
Includes one horse and instructor.  
Use of facility Picnic tables and grill/s.

Additional Horses: \$50 each  
Painting Horses: \$30 1st horse, \$10 each additional horse.  
Extra Time: per 1/2 hour: \$20 per horse

*"Our birthday party at Promenade was the best! Everyone had as much fun painting the horses as they did riding them! The BBQ and picnic area was perfect for our needs- we'll definitely do it again!"*
